## Meetup Feb 2017: Post-Hackathon Debriefing

Last month, we held the first ever TIG Conference Hackathon.

Please join us for the Feb 2017 Meetup webinar to review the hackathon, discuss what worked, what didn't, achievements, and ideas for future projects and hackathons.

Thursday Feb 16, 2017 10am Pacific.

*Registration Closed*

The hackathon was not limited to Drupal. Projects spanned different technologies. You don't need to be a Drupal user. All are welcome.
